TC 1700

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office form PTO-1449.

Under 37 C.F.R. 1.98(a)(3), the relevance of any reference not in the English language is believed to be apparent from the information, figures and schemes contained therein and abstracts thereof which are in the English language.

The Examiner's attention is drawn to commonly-owned, co-pending provisional and utility patent applications that may have inventors in common: U.S. Provisional Application Serial No. 60/259,451, filed January 3, 2001; U.S. Patent Application Serial No. 10/038,054, filed January 3, 2002; U.S. Provisional Application Serial No. 60/255,984, filed December 15, 2000; U.S. Patent Application Serial No. 09/754,034, filed January 3, 2001; U.S. Provisional Application Serial No. 60/256,229, filed December 15, 2000; U.S. Patent Application Serial No.

4  
09/753,749; filed January 3, 2001; U.S. Provisional Application No. 60/256,063, filed December 15, 2000; U.S. Patent Application Serial No. 09/754,033, filed January 3, 2001. Copies of these applications are provided for the Examiner's convenience.

References known to the applicants have been listed on PTO-1449. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

References listed in the PTO Form 1449 submitted herewith which do not specify the month of publication have a year of publication sufficiently earlier than the effective US filing date and any foreign priority date so that the particular month of publication is not in issue.

It is believed that no fee is due with the submission of this Information Disclosure Statement. If this is incorrect, however, please charge the required fee and the fee for any extension of time needed to Deposit Account No. 07-1969.

Respectfully submitted,
